

Re: Hemp Product Compliance Statement

To Whom It May Concern:

This package contains lawful hemp products. It should not be detained.

The hemp enclosed has been cultivated in adherence to federal guidelines and the regulations of the state where it was cultivated. Each product has been tested for delta-9 tetrahydrocannabinol ("THC") concentrations. For the laboratory's Certificate of Analysis (COA), please scan the corresponding QR code for each product or access all COAs via the QR code below. Additionally, as required by USPS, J&K Distribution Company maintains valid hemp registrations and licenses for all hemp it distributes and can make them available upon request.

All tested delta-9 THC concentrations fall below the 0.3% limit, which is set by the Agriculture Act of 2014 (commonly known as the "2014 Farm Bill") and the Agricultural Improvement Act of 2018 (commonly known as the "2018 Farm Bill").

Additionally, the products listed do not contain nicotine or tobacco.

Please note that this information does not, and is not intended to, constitute legal advice. With the ever-changing regulatory requirement surrounding the hemp industry, we will make every effort to continue to comply and correct any inaccuracy, and we will immediately provide our customers with an updated and current copy of this letter. Customers should consult local regulations before purchasing. We do not guarantee or represent the legality of our products in every jurisdiction. We reserve the right to abstain from shipping to locations with prohibitive local laws. Purchasers bear responsibility for compliance with their local regulations.

POSSESSION OF HEMP PRODUCTS

"HEMP" shall have the meaning provided under federal law, including Section 10113 of the Agricultural Improvement Act of 2018, Pub. L. 115-334 (7 U.S.C. 1639o), or any successor provision. Enclosed are the COAs for the product contained in this package. These products contain industrial hemp with a total THC concentration that does not exceed 0.3 percent on a dry-weight basis.

This hemp is in compliance with the Agricultural Act (2014 Farm Bill and 2018 Farm Bill updates) and Agriculture Improvement Act of 2018 in conformance with California Food and Agriculture Code, Division 24, 81001, et seq., and Oregon Revised Statutes 557.010, et seq., and all other applicable federal, state, and local regulations.

The 2018 Farm Bill changed the definition of "marihuana" in the Controlled Substances Act (CSA) to specifically exempt hemp. Section 10113 of the bill added "Hemp Production" to the list of legitimate domestic agricultural activities, and used a definition of "Hemp" very similar to the definition of "Industrial Hemp" that had been in the 2014 Farm Bill: "Hemp means the plant *Cannabis sativa* L. and any part of the plant, including the seeds thereof and all derivatives, extracts, cannabinoids, isomers, acids, salts and salts of isomers, whether growing or not, with delta-9 tetrahydrocannabinol concentration of not more than 0.3 percent on a dry weight basis." The definition of hemp includes products that are derived from hemp, regardless of how they are manufactured.

MAILING OF HEMP PRODUCTS

Attached to this letter is the United States Postal Service's ("USPS") revised Publication 52, Hazardous, Restricted, and Perishable Mail, New Mailability Policy for Cannabis and Hemp-Related Products publication. This letter confirms J&K Distribution Company is in compliance with standards for mailing under Publication 52.

J&K Distribution Company only mails hemp and hemp-based products, including products containing cannabidiol (CBD) or other hemp derivatives, that have a THC concentration that does not exceed more than the 0.3% threshold set by the 2018 Farm Bill. The industrial hemp mailed by J&K Distribution Company was third-party tested and demonstrated THC content below 0.3% (scan QR code for COAs).

J&K Distribution Company has complied with all of the 2018 Farm Bill, state, and local laws. J&K Distribution Company will retain records establishing compliance with such laws, including

J&K Distribution Company
